

Dear Coach / Team Manager

We at the Canton Soccer Club are very happy you chose to attend this year's Celtic Invitational and we plan to do our best to make sure your experience throughout the weekend is one that will bring you back every year.

One area of extreme importance to us is getting your players exposure to as many college coaches as we can. To help us do that we have partnered with CaptainU the leading soccer recruiting company to provide player profile books to ensure that the college coaches have information about your team and each of your athletes.

Go to [http://www.captainu.com/youth\\_coaches?event\\_id=18927](http://www.captainu.com/youth_coaches?event_id=18927) and enter your roster to ensure your team's spot in the player books.

If you have any questions regarding the player profiles please contact Eric at [Eric@captainu.com](mailto:Eric@captainu.com)

If you have any other questions regarding the Celtic Invitational please feel free to contact me at [pete@cantonsoccerclub.com](mailto:pete@cantonsoccerclub.com) or John Vaughn (our tournament director) at [td@cantoncup.net](mailto:td@cantoncup.net)

Thanks

Pete
